Institutional Practice:

Best Practices: - 01

1. Title of the Practice: Eco-friendly campus

2. Objectives of the Practice:

- To maintain a green and clean campus environment.
- To promote awareness of environmental issues among the students, staff and society.
- To save the human being from the effect of environmental pollution.
- To make the campus as pollution-free as possible.
- Transformation of the campus into pollution free and environmentally friendly zone.
- To support and implement "Swachh Bharat Abhiyan" for healthy India

3. The Context:

Today there is a great need for conservation of our nature. Because we are facing several environment problems. The main caused behind these problems is that human beings are consuming natural recourses at a much quicker pace than they can be replenished. Pollution is becoming very serious day by day due to deforestation and urbanization. As College is located in rain shadow region, it receives scanty rainfall. It was necessary to look forward to make efficient use of available water and other resources.

4. The Practice:

- The institute has developed beautiful campus with Lawns, Botanical Garden.
- Bore well recharge pits are constructed on the college campus for harvesting the rainwater.
- The institute is using renewable energy like solar energy.
- The institute has installed Solar Power Generation Plant of 1kWh.

- Energy efficient equipment like LED bulbs are installed in the college buildings to save electricity. Sensor based energy conserving methods are installed to reduce the wastage of electric power.
- The different varieties of plant species are planted at defined intervals in the campus with the help of stakeholders. During last five years, college has planted hundreds of plants and trees. Present green campus is the outcomes of our sincere efforts.
- Plants in the campus are watered without wasting the water.
- Rain Water harvesting system is in place to collect roof top water into the underground drainage.
- Students are provided safe and clean drinking water.
- Exhaust fan is installed in the workshop to expel hazardous gases.
- Dustbins for waste segregation are kept at different locations of HSBPVT's GOI FOM.

5. Evidence of Success:

- Water conservation methods employed are helping maintaining gardens and campus green and eco-friendly.
- Green audit, environmental audit and Energy audit of the campus is done periodically and regularly.
- Ban on plastic items has made college campus clean and beautiful.
- College is able to save a lot of money on electricity bills due above initiatives and is evidenced from the past electricity bills.
- Eco-campus strategies employed resulted in one of the beautiful and clean college in the vicinity. It has resulted in attracting more students.
- Through periodical tree plantations, which has turned into eco-friendly campus.
- The greenery in the campus has been promoted.

6. Problems Encountered and Resources Required:

- In summer season, we have to face lot of water scarcity. Hence in order to meet requirements we need to hire water tankers.
- Preservation and healthy growth of plants require a lot of human resource planning. Water shortage problem was overcome with drip irrigation.
- More number of labours / workers are required for the establishment and maintenance and retaining labours / workers of this category is challenging.

Institutional Practice :

Best Practice:- 02

1. Title of the Practice

"PARAS: Pioneering Actions for Rural and Abandoned Societies"

2. Objectives of the Practice

As considering education is fundamental right of every citizen, the following objectives are intended to bring economically deprived/abominable community or society into the main streams,

- To provide inclusive environment for abominable society
- To arrange regular visit to the ashramshala/snehalaya to identify their necessities.
- To support society to solve various issues related to healthcare
- To provide training to ashramshala students for development of communication skills
- To engage community to create closer ties between institution of higher education and communities
- To make student aware of offence, crime and it's punishment

3. The Context

Our institute is surrounded by rural area and hence various issues related to literacy, awareness on health, hygiene, water conservation, their fundamental rights and empowerment are the major challenges on which our institute have to work whenever it gets an opportunity. Therefore we have decided to identify nearby ashramshala/ snehalaya like "Mahamanav Baba Amate Samajik Vikas Sanstha, Shrigonda" and address their issues as mentioned above in order to bring them into main stream to uplift their socio-economic status.

4. The Practice

Apart from the technical knowledge acquired with typical classroom and laboratories, we believe that strong will and potent force that drives once career is the sensitivity and conscious understanding of the basic objectives of education, health, hygiene for the service to society.

Swami Vivekanand Rashtriya Uday Kendra

1) Swami Vivekanand would say, "Service of the deprived and downtrodden is the service of Mother India." We are determined to walk the path shown by him.

2) We are building a center on 6 acres of land in Khajuri Wadgaon, near from Shrigonda in the district of Ahmednagar.

3) The center will be inclusive of a school, training center, hostel and center for social research.

4) Problems of women and children from southern part of Nagar district - Shrigonda, Kasali, Jamhed, Panar have reached critical stage. Unwanted instances are taking place leading to social disharmony and casteism. This center will strive to establish a structure to protect and spread awareness on the rights of women and children.

5) A youth multi-sport center will be created for young people from all walks of life which will help build character and inculcate the spirit of patriotism and social concern. Various activities like camps, seminars, conferences, workshops, training programs etc. will be arranged at this new site.

6) A network of like-minded activists and organizations will be formed based on common social concerns.

7) Collection of motivational books, documentaries and movies.

8) An active support in different movements for social development will be practiced.

9) A center for competitive exams for the youth especially belonging to nomadic tribes.

An act of humanity for imposing meaningful life!
Background

Shrigonda taluka is located in the southern part of Ahmednagar district. It has been blessed with a great historical heritage. Many warriors viz. Maloji Raje, Mahaji Shinde have resided in this city. However, this city is plagued by certain social concerns. Shrigonda is a shelter to many scheduled tribes, particularly the Phasapathi and Dombri tribes. Mahamanav Baba Amte Bahaddarshya Samajik Vikas Sewa Sanstha was established on July 23, 2006 to address these concerns. The NGO strives to educate the children of these tribes, rehabilitate them and integrate them with society by creating social awareness.

Our first Patron:
Shrigonda Bhushan Anandash Sadashiv Kukarni has been Shrigonda's. However, he left for Mumbai sixty years ago to seek employment and has settled there ever since. He has very generously donated the ancestral home in Shrigonda, the Kukarni Wada to our NGO as his family's contribution to the upliftment of the deprived people.

Projects of Mahamanav Baba Amte Sewa Sanstha

1) Students Aid Committee (Vidyarthi Sahayak Samiti)
The Phasapathi community are an ancient tribe of India. They used to live in remote and inaccessible jungles and were very primitive in their lifestyle. They used hunt in the jungles for their food. But when the British rulers implemented a ban on hunting in the jungles, this tribe was unable to integrate with the rest of population. As a result they resorted to criminal activities to feed their families. For generations, they have been involved in criminal activities and never close to any school. At times, they are unfairly blamed for crimes they have not committed. Mahamanav Baba Amte Sewa Sanstha has taken up the noble cause of uplifting this community. We have taken the responsibility of educating the children and stop the vicious cycle of crime and give them a chance to live. We provide hostel facility, admission to local school, regular and nutritious meals, tuition and most importantly inculcate values in the children. Along with academics, we teach the children to smile and care for each other. We instill discipline and the importance of honesty and hard work. It is a fact that had it not been for Mahamanav Baba Amte Sewa Sanstha's intervention, these children too would have been labeled as criminals.

2) Savitribai Balbhavan
Shrigonda taluka and Sasane Nagar slum which houses over 1,500 residents is a part of this taluka. The women of these slums engage in occupations such as labourers on farm or domestic work. They are illiterate and are unable to guide their children with their studies. Mahamanav Baba Amte Bahaddarshya Samajik Vikas Sewa Sanstha started the Savitribai Balbhavan project to help the children of these slums with their studies and to mould these children into respectable citizens. Free tuition is given to these children and workshops on health and hygiene, in addition, communal unity, prevention of underage marriages, dowry etc are conducted by various experts to bring about a positive change in the society. Thus Savitribai Balbhavan is a movement towards profoundness and nation building. Currently 80 kids are marching towards a bright future at Savitribai Balbhavan.

3) Aarambh Bal Vidya Niketan
This is a unique project where youth of a village named Kashti are engaged in nation building by educating the children of the poor/rejected sections and the Dombri community while building their own future at the same time. They are doing this out of a sense of patriotism and the urge to share their knowledge with the needy, poor and deprived section of our society. If these underprivileged children are not educated today, then they will be exploited as child labourers, beggars or resort to crime for their livelihood, thus posing to be a menace to society. This need is to educate these children and change their mindset and guide them towards a bright future. This positive change is being brought about through the medium of Aarambh Balbhavan in the colony of the Dombri community of the Kashti village. This colony houses about 450 families living in very poor conditions. This underdeveloped tribal community lives a nomadic life, performing their traditional art and moves around from village to village. The youth of the Kashti village are performing the Herculean task of changing the destiny of 400 children living in such dire conditions.

4) Mahamanav Baba Amte awareness lecture series. Inspired by internationally renowned social activist Baba Amte, his wife Reverend Sushilata Amte, Tribune Shrikanth Hazare and the Sonehalaya family, Mahamanav Baba Amte Bahaddarshya Samajik Vikas Sewa Sanstha organizes lecture series on the occasion of the death anniversary of Baba Amte and the birth anniversary of Saint Gadge Maharaj. Prominent speakers and leaders are invited to create awareness amongst the masses about various social issues. The NGO feels that the youth today needs to be guided by inspiring thoughts along with academics in order to broaden their horizons. Hence the lecture series! Thousands of youth from many rural areas are influenced by this initiative of the NGO towards a better future.

5) Freedom Fighter Ramanlal Mehta Library
Mahamanav Baba Amte Bahaddarshya Samajik Vikas Sewa Sanstha provides library service to needy students and other citizens of Shrigonda taluka. The library also serves as a centre of study for various competitive exams viz. MPSC, UPSC, IPS, etc. The youth of Shrigonda taluka are inspired to applying for government jobs. The team of Mahamanav Baba Amte Sanstha started the Freedom Fighter Ramanlal Mehta Library to fulfil this need and help the youth get good government jobs. The library has over 3500 books and is visited by 125 students. Workshops are also conducted by experts to guide and prepare the youth for various competitive exams.

6) Bharat Ratna Dr. A.P.J Abdul Kalam Study Center
There was a need in Shrigonda for a center with an environment conducive for knowledge gaining where students could come to study and prepare for various competitive exams as well as overall personality development. The Bharat Ratna Dr. A.P.J Abdul Kalam Study Center was thus inaugurated at Shrigonda by Hon. Shri. Hazare and Dr. Rameshwar Kulkarni on 20 Dec 2015 on the occasion of the birth anniversary of internationally renowned social activist Baba Amte. Currently 25 students visit the center every day to study.

6. Problems Encountered and Resources Required

- Low or non-education of the community or society makes them vulnerable to misbelief and antisocial practices like addiction, theft, dacoti etc.
- Due to the availability of poor or low-level health facilities to them, the prevention of diseases or maintainence of health will be the biggest challenge.
- Generation of the motivation to the local health care provider and public for contribution towards such community is difficult task.
