Student Admission

The admission detail of student include student admit year, their branch, registration number etc. Maintenance of record and retrieving data should easy and for this purpose online software to be used.

Accounts

The office continues to maintain its account on Tally. The latest version of the software is purchased and used by the college. Advanced features help the staff to maintain financial records effectively and efficiently. Profit and loss, Balance Sheet is generated through this software only. All the analysis reports are also generated through Tally. Appropriate security measures are taken for maintaining confidentiality of the transactions.

Library

The College continues to maintain its academic excellence through maintaining a well-stocked library. The College will add more and more e-leaning resources for the benefit of the faculty and the students. The College continues to subscribe new e-journal printed version of journals and books regularly. Recommendations are taken from the faculty and students while subscribing to the e-resources. Faculty can apply to get books of different authors for the courses that they are teaching to increase the knowledge database.

The Library is installed with fully automated AutoLib Library Management System software to use- Graphical User Ingrate, Unicode support with Multilingual Search and export facility for most reports.

The use of Online Public Access Catalogue module of the software to allow library database searching preferred terms for information retrieval.

The Circulation module of the software covers all the operations of circulation, right from creating member records to printing of reminders for outstanding books.

The Database Maintenance module covers all operations of database creation and maintenance.
